Solar & Roof Projects

The award winning, Camp Courageous pool roof is being replaced. In so doing, the timing is perfect to install a roof that is designed to handle solar panels, eliminating a major operating expense of the pool. This will save the camp thousands of dollars in the future. **Thank you to Bill and Kay Pitlik for getting the first stage of this on-going project started with the pool.**

The next stage is panels over the camp's multipurpose and new maintenance buildings. Those giving gifts of \$1,000 or more will be acknowledge with a special gift.

Solar Panel Project – This is an on-going project that will help offset electrical expenses, especially with the indoor pool. Gifts of \$1,000 or more will receive a special solar gift. ANY amount is appreciated toward this renewable energy project.
Send your donations to:

Charlie Becker, Camp Courageous, PO Box 418, Monticello IA 52310-0418
