Bath towels Disinfectant wipes
Washcloths

Camp Courageous has a WISH LIST on Amazon! Several of the needed items on this page are just a click away online. Find wish list link at:

www.campcourageous.org

Solar & Roof Project

The award winning, Camp Courageous pool roof is being replaced. In so doing, the timing is perfect to install a roof that is designed to handle solar panels, eliminating a major operating expense of the pool. This will save the camp thousands of dollars in the future. **Thank you to Bill and Kay Pitlik for getting the first stage of this on-going project started with the pool.**

Total cost of the roof and solar panels is estimated at \$250,000.00. The next stage is panels over the camp's gym building. Those giving gifts of \$1,000 or more will be acknowledge with a corian block inside the pool... larger gifts will be recognized with a larger block.

Solar Panel Project – This is an on-going project that will help offset electrical expenses, especially with the indoor pool. Gifts of \$1,000 or more will be recognized on a Corian block inside the pool. ANY amount is appreciated for this renewable energy project.

Send your donations to:

Charlie Becker, Camp Courageous, PO Box 418, Monticello IA 52310-0418
