## Endowment Opportunities

Camp Courageous is blessed to be located in a beautiful location and to have wonderful facilities. But the real key to the success of the camp in the hearts and minds of thousands of campers, along with their families and friends, is the staff of dedicated individuals. These exceptional individuals are willing to give of themselves, the above and beyond, to make sure a camper's stay will be the highlight of their year.

You can endow a position at Camp Courageous. A large brass plaque will appear above each position's office door recognizing the donor. The names of those participating will also appear in each Courier, and the names will appear on the Foundation Board in the lodge.
